MEMORANDUM FOR: Mr. Charles E. Bohlen
Special Assistant to the Secretary (S/B)
Department of State

SUBJECT : The Moscow Conference

I am attaching a memorandum on a subject which I know has been occupying you in recent weeks -- the Moscow Conference and the question of who won what and who lost what. The memo passes over the many ideological/policy issues taken up at the Conference to concentrate upon the important issue of discipline in the Communist movement.

SHERMAN KENT
Assistant Director
National Estimates
